DOCKET NO. 2005-284-C

Harry Telephone Cooperative, Incorporated (HTC) has filed with the Public Service Commission of South Carolina (Commission) a request seeking approval of the modification of the font size of its directories pursuant to 26 S.C. Code Ann. Regs.103-631(J). The Applicant proposes that the Directory's font be changed to accommodate a shift from a 3-column to a 4-column white pages layout. Making this change will reduce the Directory's page count and help keep the Directory at a manageable size and weight. Specifically, HTC proposes to reduce the font size in the white pages of its directories from 9.5 points to 7.0 points, with no change in the font style.
